Re: \$6.00 Cash Value Voucher (CVV) Increasing to \$8.00

Effective June 1, 2014, the Indiana WIC Program will begin issuing an \$8.00 cash value voucher (CVV). The \$8.00 CVV will replace the current \$6.00 CVV. WIC is pleased to announce this change as a component of its continual efforts to encourage participants' consumption of fruits and vegetables.

The \$6.00 CVVs issued in March, April and May will remain in circulation until the end of August 2014. Please make sure that your scanner system will recognize and allow the \$8.00 CVV by June 1, 2014. \$10.00 and \$15.00 CVVs will remain unchanged.

Please inform your cashiers of this change and remind them that they must never write in more than the stated dollar limit on WIC CVVs.

Thank you for your continued support of the WIC program. If you have any questions about this change, you can contact your local WIC office or the State WIC Program at (800) 522-0874 and ask for the Vendor Consultant in your area.
